Re: Transfer of Notice of Intention to Commence Small Mining Operations, Treasure Chest 5-8, S/023/052, Juab County, Utah

Dear Mr. Crapo:

We have received your transfer form wherein you wish to transfer a portion of the Treasure Chest (claims 5-8) from Loy Crapo to yourself. This transfer was approved and signed by our Division Director and became effective November 25, 1996. This approval effectively releases Loy Crapo from any reclamation obligations of that transferred portion of the site.

Enclosed is a Small Mining Operations Notice of Intention form (MR-SMO) which you must complete and return to this office and receive approval prior to performing any disturbance on this property. It is our understanding that there is no disturbance on this portion of the site at this time. The SMO form must reach us at least 30 days prior to any anticipated start up of mining in order for us to process the application.

If you have any questions regarding this letter, please contact me or my supervisor, Wayne Hedberg. Thank you for your cooperation.

Sincerely,

Tom Munson
Senior Reclamation Specialist
